

Community Development Block Grant

Community Services is responsible for the daily administration of the Community Development Block Grant (CDBG) program. The CDBG program provided \$927,375 to the city for the 2014-2015 fiscal year and will receive \$973,786 for the 2015-2016 fiscal year. We allocate twenty percent (20%) of the funding for administration of the program, and the rest is assigned to projects that meet HUD's eligibility requirements. Information on current and past projects funded, as well as additional resources to learn more about the program, may be found below.

Allocations approved by City Council for fiscal years 2011 through 2014 are as follows:
