A Public Information Meeting for the proposed Selvitz Road Sidewalk Project is scheduled to be held in the Community Center, Room C, on Wednesday, April 13 from 5:30 to 6:30 p.m.

The improvements will include the construction of a 5-foot wide concrete sidewalk on the east side of Selvitz Road from Bayshore Boulevard to the C-108 Canal and a 6-foot wide sidewalk from the canal to North Macedo Boulevard. Construction is anticipated to commence in January 2017.
