FOR IMMEDIATE RELEASE

It has come to our attention that a private group alleged to have displayed intolerance toward certain groups has filed the necessary paperwork to rent City-owned facility space to host an event.

As a government entity, the City does not support any level of intolerance; nor does the City screen or reject renters based upon their personal beliefs.

The City of Port St. Lucie is a diverse community. The City hopes that our residents and visitors respect the rights and beliefs of every person with which we share this great City.
