FOR IMMEDIATE RELEASE

**Give your input on affordable housing, community development needs**

The City of Port St. Lucie Community Services Department is asking for input from residents to help assess the affordable housing and community development needs and market conditions of the City in order to determine priorities, establish strategic goals and allocate funding resources.

By completing this short [10-question survey](#), you're taking an active part in the 5-year Consolidated Plan development process. This plan is required by the Department of Housing and Urban Development for all jurisdictions receiving Community Development Block Grant (CDBG) funding.

We truly appreciate your time and participation in making Port St. Lucie the best community it can be.
