FOR IMMEDIATE RELEASE

City Employees Donate More Than 1,000 School Supplies to Port St. Lucie School

What: Employees in the City of Port St. Lucie's Building Department will give more than 1,000 school supplies collected this summer to Parkway Elementary.

When: Friday, Aug. 12, 2016 at 1:30 p.m.

Where: Port St. Lucie City Hall, Building Department
121 SW Port St. Lucie Boulevard, Port St. Lucie

Who: The City of Port St. Lucie Building Department

Why: At the Port St. Lucie City Council's summer retreat in July, the Superintendent of the St. Lucie County School District identified Parkway Elementary as a school with over 60 percent of students on free or reduced lunch. After hearing that, employees in the City's Building Department decided they wanted to give back to that school. During the past two month, they have collected more than 1,000 donated school supplies. A teacher from the school will be at the Building Department today at 1:30 to collect all the supplies.

The City invites the media to come cover this. If you are unable to make it, and still would like photographs, please contact the City's PIO at the number above.
