For Immediate Release:

**SUBJECT: Sunday morning single car roll over crash claims the life of the 25 year old female driver.**

On Sunday, January 24, 2016 at around 2:05 am, Port St. Lucie Police went to the 300 block of NW Floresta Drive to investigate a single vehicle roll-over crash.

Preliminary investigation revealed that Stephanie Fuentes (DOB 4/29/90, 670 NW Treemont Avenue, Port St. Lucie) was driving a 2002 Ford Explorer with her husband, Carl Georges (DOB 12/8/91, 670 NW Treemont Avenue, Port St. Lucie) in the front passenger seat. The car was traveling north in the 300 block of NW Floresta Drive when Fuentes lost control of the car. Preliminary investigation suggests Fuentes over-corrected the wheel causing the car to roll; ejecting Fuentes from the car. The car ultimately struck a tree and came to rest on top of Fuentes.

St. Lucie County Fire Rescue responded to the scene and pronounced Fuentes dead at the scene. Georges was uninjured during the crash.

The 300 block of NW Floresta Drive was closed for three hours early Sunday morning as Port St. Lucie Police investigated the scene.

This is ongoing investigation as Traffic Investigators determine the circumstances surrounding the crash.
