For Immediate Release:

SUBJECT: Dish towel burglary bandit caught on home security camera; Port St. Lucie Police asking for public's help in identifying him.

On June 1, 2016, Port St. Lucie Police went to the 2000 block of SW Bird Avenue to investigate a home burglary. The victim told police that an unknown suspect entered his house through the front dining room window and stole his .38 caliber revolver prescription pills and approximately \$700.00 in cash.

The victim has a home security camera set up in his living room, which captured the suspect walking through his house carrying a dish towel. Police obtained the video and saw the suspect now described as a thin white male, 25-35 years old, brown hair and beard, bearing a large dark tattoo on his left shoulder and arm, wearing blue jeans, black tank top, and dark colored boots.

Police determined that the suspect entered the home by removing a front window screen then forcing his way through the window. While inside the house the suspect rummaged through the house finding the gun, money, and prescription medication. The suspect used the dish towel in an attempt to conceal his fingerprints.

Police are asking if you have any information on this case or if you recognize the suspect to call the Port St. Lucie Police Department at (772) 871-5001 or Treasure Coast Crime Stoppers at 1-800-273 TIPS.
