

## Keep Port St. Lucie Beautiful Utility Systems Department Adopts a Street!

Monday, November 21, 2016 | Anna Marie Colonnese | [AColonnese@cityofpsl.com](mailto:AColonnese@cityofpsl.com)

Keep Port St. Lucie Beautiful just signed up the City of PSL Utility Systems as a new group for the Adopt-A-Street program. The first Port St. Lucie Utility Systems Adopt-a-Street cleanup was a success! Nine Utility Systems employees volunteered their time to pick up litter inside the Prineville Water Treatment Facility Compound, as well as the surrounding neighborhood streets. Volunteers collected 12 bags of trash during the cleanup. This group is passionate about being "Connected to the Community!"
