FOR IMMEDIATE RELEASE

City of Port St. Lucie Advisory #12 on Hurricane Matthew

- What:** City of Port St. Lucie
- When:** Saturday, October 8, 2016, 12 p.m.
- Where:** City of Port St. Lucie City Hall
- Why:** The City of Port St. Lucie wants to keep residents informed with the most up-to-date and accurate information regarding Hurricane Matthew RECOVERY. Please see the following updates about **WASTE COLLECTION:**

Now is the time to bring all of your storm debris out to the street for pickup. Waste Pro is now responsible for all debris pickup including debris within HOA neighborhoods. Residents must still separate vegetative debris from other types such as fence material, furniture, etc. Please put small piles into trash cans or bags when possible. The City asks for your patience and understanding while Waste Pro runs every street in the City.

Commercial properties will still need to make arrangements for their own debris disposal. There is no need to call Waste Pro or the City to report your piles, but please contact Waste Pro if you have any questions at (772) 595-9390.

For your regular trash and recycling pickup, please place that waste out on your next regularly scheduled pickup day.

Lastly, the City is in the process of rescheduling its annual Household Hazardous Waste Collection event. Do not place this hazardous waste into your regular trash for curbside pickup. Please hold onto it to dispose of at the rescheduled Household Hazardous Waste Collection Event. Please visit www.cityofpsl.com for more details.

Please continue to check the City's website at www.cityofpsl.com/hurricanematthew and the City's Facebook <http://www.facebook.com/cityofpsl/> and Twitter page <https://twitter.com/CityPortStLucie> for the most up-to-date- information regarding Hurricane Matthew recovery in the City of Port St. Lucie.

###

The City of Port St. Lucie is proud to be a hometown where people live, learn, work and play, and celebrate all of life's opportunities. With over 179,000 residents, Port St. Lucie is Florida's eighth largest city by population (South Florida's 3rd largest city). The City occupies an area of 120 square miles in St. Lucie County on Florida's east coast, about 50 miles north of West Palm Beach, half way between Miami and Orlando. The City provides most traditional municipal services including law enforcement, water and sewer, and public works. For more information, please visit: www.cityofpsl.com
