Police Forfeiture Fund

This fund tracks the assets, cash and otherwise, that have been seized by the Police Department because of illegal activity. The proceeds in this fund are used to pay the legal fees associated with acquiring these assets and then can be used to purchase special equipment needed for surveillance work, crime prevention, school resource officers, grant matching funds and other law enforcement purposes as stipulated by Florida State Statute 932.7055(4). This helps fund some of the equipment needs of the Police Department without drawing on property tax revenues from the citizens.

Major Revenue Source

The only significant revenue for this fund is from the assets that the Police Department has

seized. This can be unpredictable and the State rules governing this fund only allow for budgeting of funds that are actually on hand. The City is not allowed to budget any potential revenue from forfeiture activity. Thus, the proposed budget is only able to budget its projected cash carryforward of \$77,426 plus the expected interest income of ±\$500.

Expenditure Trend

The proposed budget is allowing the use of \$20,000 for administrative costs related to court cases. There will be a transfer to the General Fund to help fund the staff cost for this program. The balance of \$47,926 will be held as a contingency for future needs.
