

Angela Van Etten, LLB, JD

Angela Van Etten is the Coordinator of Treasure Coast Services for the Coalition for Independent Living Options, Inc. (CILO), where she advocates for individuals of all ages with disabilities on issues relating to access, education, employment, emergency preparedness, housing, transportation and voting.

Angela's knowledge of disability law comes from her legal education, admission to the bar as an attorney in New Zealand, Ohio and New York, and work experience as a legal writer and editor.

She is a Past President of Little People of America (LPA), Inc., a national organization that provides advocacy and support to about 6,000 individuals with dwarfism and their families.
