Address: \_\_\_\_\_

Contractor: \_\_\_\_\_

Homeowner: \_\_\_\_\_

It is our desire to leave portions of our property in a natural state and are fully aware that this may cause drainage problems on this site now or in the future. We hereby agree to not hold the City of Port St Lucie responsible for any future drainage rework that may be required as a result. In the event that this property is sold, the above waiver will be transferred with said property.

Sincerely,

\_\_\_\_\_
