

## PUBLIC WORKS DEPT

# NW Bayshore Blvd. & NW Selvitz Rd. Intersection Improvements

### Project Manager:

Heath Stocton, P.E.

(772) 344-4239

hstocton@cityofpsl.com

### Design:

CAPTEC Engineering, Inc.

### Construction:

TBD

### Schedule:

Design: Approved for Construction (AFC) plans were completed July 14<sup>th</sup>, 2016

Construction: Anticipated to begin in April 2017 (contingent upon utility relocations).

### Current Conditions:

### Description:

This project entailed modeling the intersection to determine the most efficient long-term treatment. A roundabout was chosen as the best option. The project will also include lighting and eventually landscape improvements.

### Progress:

Construction plans are complete. Utility relocations should begin soon and then roundabout construction will follow thereafter.

### Location:
