

PUBLIC WORKS DEPT

NW California Blvd. & NW University Blvd. Intersection Improvements

Project Manager:

Heath Stocton, P.E.
(772) 344-4239
hstocton@cityofpsl.com

Design:

CAPTEC Engineering, Inc.

Construction:

Engecon Construction, Inc.

Schedule:

Construction began October 10th with a scheduled completion date of January 24th, 2017.

Current Conditions:

Description:

The intersection is currently controlled by all-way stop control. The all-way stop will be replaced by a single/double lane roundabout with lighting and sidewalk improvements as well as the installation of conduit for future irrigation or other needs.

Progress:

Construction is underway and NW University Blvd. is closed from California Blvd. to the Indian River State College driveway until mid-December. Northbound and southbound lanes on California are being maintained with only periodic lane closures.

Location:
