The City of Port St. Lucie Utility Systems Department (PSLUSD) has provided standard details in an AutoCAD compatible (ver. 2013) DWG format for your convenience. The files are contained on a CD, and shall be available for purchase for the price of \$20.00 per CD. The CD is available for the purchase during normal business hours from the PSLUSD at the above address. To purchase a CD, bring this completed form and payment. Payment shall be in the form of a check made out to City of Port St. Lucie Utility Department. **Cash and Credit Cards shall NOT be accepted.**

Terms and Conditions

The detail files contained on the CD in DWG format belong to the PSLUSD and may not be altered in any way, including reduction in size. The up to date PSLUSD standard details posted on the PSLUSD web site in the PDF format supersede any DWG format standard details on the CD. The PSLUSD has the right to update, change, or delete and detail drawings at any time and without notice.

PSLSUD makes no representation or warranties regarding accuracy of fitness for a particular use. The Engineer of Record is responsible for using sound design and engineering judgment regarding the use of these standard details.

By signature below and payment of \$20.00, I hereby agree to the terms and conditions stated above.
