

City of Port St Lucie Utility Department Pump Station Record Information

Project: _____

PSLUSD Project Number: _____

Pump Manufacturer _____

Repump Station _____

Pump Model _____

WWTF _____

Impeller _____

Capital File No. _____

Horse Power _____

FDEP Permit No. _____

Force Main Size _____

Contractor _____

Force Main Length _____

Turnover Date _____

Discharge Pipe Diameter (inches) _____

Lot _____

Pump Discharge Diameter (inches) _____

Block _____

Voltage _____

Latitude _____

Phase _____

Longitude _____

Full Load Amps _____

FPL Meter No. _____

Design Flow (gpm) _____

Water Meter No. _____

Design Head (ft) _____

Generator Size (kva) _____

Basin Diameter (ft) _____

Pumpstation No. _____

Basin Depth (ft) _____

PSLUSD Project No. _____

State Plane Coordinates: _____
Northing (Y)

_____ Easting (X)

Elevation Datum: _____

Rim _____ Bottom _____ Influent Invert _____ Discharge ELEV T.O.P. _____

Lead Pump On _____ Lag Pump On _____ Lag Pump 2 On _____

Pumps Off _____ Alarm _____ Emergency Off _____

Location _____

Address _____

Legal Description _____

Comments _____
