Place: Indian River State College – Pruitt Campus
500 NW California Boulevard
Room G-112

Date: Wednesday, April 24, 2019

Time: 5:30 p.m. to 7:00 p.m.

Funded by the recently passed ½ Cent Sales Tax, the City of Port St. Lucie will be undertaking several projects in the St. Lucie West and Torino areas. The projects include intersection improvements on St. Lucie West Boulevard at Bayshore Boulevard, Cashmere Boulevard, and Peacock Boulevard and the construction of roundabouts on East Torino Parkway at California Boulevard and Cashmere Boulevard. The intersection improvements will include the construction of turn lanes and through lanes at intersections as well as closing North Macedo Boulevard at Bayshore Boulevard. The closure is necessary to maintain and extend the existing southbound right turn lane while adding an additional southbound through lane.

The roundabout improvements will include the construction of single-lane roundabouts, drainage improvements, sidewalks, lighting, and landscaping.

The Public Information Meeting will provide details on the proposed projects and anticipated construction activities. It is also an opportunity for residents to provide their comments and suggestions. Members of the project team will be available to assist with answering questions.

We appreciate your cooperation and look forward to your attendance. Should you have any questions, please call the City of Port St. Lucie Public Works Department @ 772-344-4291. Thank you.
