

HOW YOU CAN HELP

- ✓ Carry a portable or pocket ashtray.
- ✓ Dispose in proper receptacles.
- ✓ Don't throw cigarette butts out of car windows.

CIGARETTE
BUTTS #1
ARE THE
FORM OF LITTER

CONTACT KPSLB TO RECEIVE FREE:

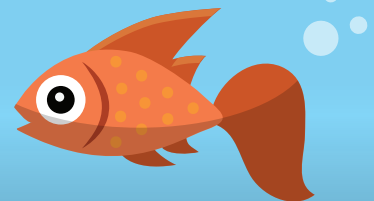

- ✓ Cigarette Litter Receptacle - for business and property owners.
- ✓ Ash Receptacles - for residents.

Cigarettes Are Not Biodegradable

Cigarette filters contain cellulose acetate, a plastic which persists in the environment.

Once cigarettes are on the ground they can end up in storm drains and stream into rivers and waterways, potentially harming marine life.
