## Elections Polling Site Guide

FOR INFORMATION REGARDING THIS GUIDE:  
NEIGHBORHOOD SERVICES DEPARTMENT  
772-871-5010 OR EMAIL: [nsd@cityofpsl.com](mailto:nsd@cityofpsl.com)

To assure that the City of Port St. Lucie (City) provides all citizens, including candidates seeking service through elected office, their campaign workers, and all others involved in the electoral process a positive and enjoyable experience, this guide has been prepared for regulating electioneering practices (also known as expressive activity) on City-owned property (including road rights-of-way). This Guide, along with other helpful information will be available on the City's website: [www.CityofPSL.com](http://www.CityofPSL.com)

A board of inspectors and clerk of election appointed by the Supervisor of Elections manages voting precinct polling places up to 150' from the entrance(s) to these polling places. However, the property owner(s) may establish site-specific rules in order to maintain a civil election process.

The City encourages interested parties to check with the St. Lucie County Supervisor of Elections for applicable rules and regulations regarding campaigning at the polling sites. At a minimum, no solicitation is allowed within 150' from the entrance to a polling or early voting location. As a result of Florida Senate Bill 90 in 2021, revisions were made to Florida Statute 102.031 to expand the 150' no-solicitation zone to include the area around all Secure Ballot Drop Boxes. Please note that additional information can be found at the St. Lucie County Supervisor of Election's website: <https://www.slcelections.com/>

This Guide shall be updated every two years, or more frequently, if necessary, to reflect changes in federal and/or state law and ordinances of the City of Port St. Lucie.

### **Expressive Areas**

The public areas of City-owned buildings and facilities, such as lobbies, waiting rooms, hallways, elevators, courtyards, and meeting rooms are intended for use by the public when doing business with the City and by City employees in the performance of their duties, but not for use as a public forum for anyone to communicate with the public in a manner that disrupts City business.

To assure that the right to free speech, to protest, and to gather in public places, the City reserves the right to designate locations at any City-owned property (owner-occupied, leased, or rental) for free speech accommodations. Such designation shall be provided on an as-needed basis. The City Manager or his designee is responsible to enforce facility rules.

Current expressive areas at authorized polling locations on City property are as follows:

- Port St. Lucie Community Center, 2195 SE Airoso Blvd
- The MIDFLORIDA Credit Union Event Center, 9221 SE Event Center Place
- Robert E. Minsky Gym, 750 SW Darwin Blvd
